MEMBERS OF THE PUBLIC

Mr T Macey and Mr Forrest asked if the Parish Council were all in agreement over the Traffic Calming Scheme. When discussed earlier in the meeting mixed messages were coming from the Councillors, in their opinion they did not give a clear message of support for the scheme to the County Councillor. This was noted. The Chairman stated that the Parish Council were all in favour of the traffic calming scheme.

Mr Flippance spoke about the recent big bomb testing at Porton Down and enquired why they were so severe and loud. Cllr Raynes stated that she worked at Porton Down and that she would take this up and hopefully get an explanation.

Mr Flippance made the point that if Palestine is to be moved into the Anna Ward they will have a new Borough Councillor that will not know the area when dealing with Planning Applications. This was noted.

The Chairman thanked everyone for coming and closed the meeting.
