

OVER WALLOP PARISH COUNCIL
MINUTES OF MEETING
11th December 2006

- 416/06 Present: Cllrs. Burden, Cleife, Glover, Keightley, Macey, Taylor-Firth and Quick, Borough Councillor Hope, 2 members of the public and Will McManus, Andover Advertiser.
- 417/06 Apologies: Ruth Cartwright
- 418/06 Minutes: The minutes for November were approved. Proposed Cllr. Cleife Seconded Cllr. Taylor-Firth.
- 419/06 Urgent Items:
Cllr. Keightley reported on the problems with the parking in Pound Road outside the village shop. The lay-by outside is being used by residents to park cars and there is no parking facilities now for the shop. This is causing the road to become congested and people are not using the shop as there is nowhere to park. This is a community run venture and the takings will suffer as a result. The knock on effect of this as well is that people are using the flats in Pound Close to park and the residents are unhappy with this. The clerk will write a letter to both Testway Housing and Hampshire Highways regarding this.
- 420/06 Police matters and Neighbourhood Watch Update:
There was some damage to a vehicle near the BAS site recently. The police are urging homeowners to be sensible over Christmas and not drink too much, arrange for lifts home and not to use taxi's just driving around looking for fares. If you are going away over Christmas put your lights on a timer and have friends or neighbours pick up your post. Do not leave Christmas presents visible in cars or wallets visible in pockets etc.

A quote was received from Mr Robins to cut the sports field for next season and the clerk will write to confirm that it has been received and is under consideration.

The clerk gave each cllr. the income and expenditure for this year and asked them to think about the precept for the next financial year. This will be discussed at the next meeting. The chairman commented that cllrs should start by noting what maintenance costs will be needed and put them in the budget, then decide what new ideas and projects should be carried out in 2007/8 and estimate their cost and then include them in the budget. The Parish Council will then see how the budget compares with previous years and adjust it if necessary.

423/06 Playground and sports field:

Cllr Macey updated all cllrs. on the current situation and gave the revised quote from RJ playground services to the clerk to put in the proposal for the grant application. The street light quote is being done this week and will be included in the grant application.

424/06 Parish Hall Update

There is nothing further to report on the decision on the hall rebuild or refurbishment. There was a party at the weekend and some damage was done to the hall.
