393/06 Apologies: Borough Councillor Hope

394/06 Minutes: The minutes for the Council meeting and the planning meeting held in September were approved. Proposed Cllr. Cleife Seconded Cllr. Quick.

395/06 Urgent Items: The clerk reported on the progress with Mount Carmel Rd and confirmed that a complaint had been registered with Highways and that the clerk will follow it up. Mark Yates then gave a brief presentation on the Army Air Cadets. They are an organisation for children aged 12 and year 8 in school up to 18 <sup>3</sup>/<sub>4</sub> for both boys and girls. They meet at Middle Wallop Camp on Monday and Wednesday evenings from 7.30 – 9.30pm. As well as the weekly meetings and lessons, the club organises weekend and summer camps where children can learn shooting, canoeing and work towards the Duke of Edinburgh Award Scheme. This is a club aimed at self-motivated children, which is low cost and lots of fun. Please see the notice board and contact Captain Harder for further information on joining.

Traffic Calming: There is a concern that the village suffers from high volume speeding traffic and that traffic calming is required within the village. After much discussion, it was agreed that the clerk would contact HCC and request that they do a site visit with the councillors to determine what can be done. A meeting will be arranged hopefully within the next few weeks. Some hedge trimming is also required and where properties have overhanging branches, the councillors agreed to contact the owners to discuss this. The verges also need trimming by Suddern Farm Cottages on Salisbury Lane, and Cllr. Macey will talk to Clive Hutchinson to see if he can do it, or if a tractor is required.

Macey is waiting for final quotes for the play park proposal. The clerk confirmed that she has approached 2 other companies to quote for the streetlight in line with the grant requirements. Once they have been confirmed then we can apply for the grant from TVBC. The clerk agreed to make a sign up for the pavilion to ask footballers not to wear their muddy boots in the pavilion.

400/06 Parish Hall Update

This is still a controversial issue and both parishes have made no decision. It is unclear whether the hall will be sold to developers and a new site found or if the hall will be built on the existing ground. The other alternative is to refurbish the existing hall. Both parishes have agreed to have the current site valued in its present state and as a potential developed site. This was proposed by Cllr. Taylor Firth and seconded by Cllr. Glover.

401/06 Correspondence:

Hampshire CC should receive school admissions for September 2007 by Mid November at the latest.

Hampshire Police Authority are advertising for applications for independent members to join the police force. All applications to be received by 27 October. Anyone interested to contact the clerk for further information.

An invitation has been received for an evening of presentations on the Royal Air force at the guildhall in Winchester on 14 November. Any councillors wishing to attend should contact the chairman for further details.

402/06 Public points from floor:

Various comments were raised about the road safety within the village and the fact that traffic calming needs to be implemented within the village. Cllr. Macey assured the public that we are looking into it.

Following from last months meeting when a CCTV camera was mentioned, a parishioner advised that serious consideration should be given to the fact that anyone using the camera needs to be police checked and licensed due to the child protection act and the data protection act.

There being no further business, the meeting closed at 10pm. Sandra Holloway – Clerk

Next meeting Monday 13 November 8pm
