029/07 Police matters and Neighbourhood Watch Update:

Ruth Cartwright advised that police presence has increased in the village, and she had nothing to report. The clerk reported on an e-mail received from Hampshire CC advising of a scam in the Andover area of people pretending to be from Social Services, possibly scouting properties out for burglaries. Parishioners should be aware that nobody from Social Services should knock on your door without a prior appointment and should be treated as suspicious and reported immediately.

030/07 Planning:

Previous Plans.

Concern had been expressed at the last meeting about the number of planning applications forwarded to TVBC with No Comment. An analysis shows that in the past year of the 46 applications forwarded; 6 were supported, 35 No Objection, 3 No comment, I Objection. It was felt that this was not excessive.

Cllr Keightley expressed his disappointment at the TVBC decision that 23 houses be built on the BAS site with an entrance off Horshells drove. He and other councillors joined in their thanks to Cllr Taylor – Firth for speaking for the Parish and putting the case so ably. It was generally felt that TVBC were already determined to allow it regardless.

Current Plans:

Letter received from TVBC regarding the Rural Mentoring and Parish Plans Conference to be held 28 March at 9am. Cllr. Keightley is booked in for this conference.

Letter from CPRE regarding a coach trip to Frogmore Mausoleum and Savill Garden at Windsor on 16 May. Contact clerk for details if interested.

The Election poster were passed to Cllr. Keightley to place on the village notice board.

035/07 Public points from floor:

The parking situation at Grateley was mentioned. Campbell Close in Grateley is to be restricted parking with yellow lines painted and the Layby opposite the entrance to Old Stockbridge Rd will be narrowed and restricted to fewer parking. It was noted that there would not be any additional parking facilities allocated to the Railway Station at this time. This will obviously cause even more congestion on the main road, which is already a continuing problem for both villages.

The footpath by Orange Lane is churned up by what appears to be vehicles using the track. Cllr. Keightley will mention this to the footpaths officer.

The pothole in Pound Road by Keystone Cottages roundabout requires attention. It has eroded badly. The clerk will pass this onto Highways for their attention.

Cllr. Keightley requested a photocopy of the electoral register for the elections. The clerk will pass a copy.

There being no further business, the meeting closed at .9.20pm. Sandra Holloway – Clerk Next meeting Monday 16 April 8pm.
